Date : 10/08/23

To all my respected colleagues,

I am writing to remind you of the prohibition on private tuition by teachers. *Section 28 of the Right of Children to Free and Compulsory Education Act, 2009 (RTE Act)* states that "No teacher shall engage himself or herself in private tuition or private teaching activity." And to cite School Education Dept.(Secondary Branch), Govt. of West Bengal order no *214-SE/S/10M-01/18 Dated 08.03.2018* about *Code of Conduct and discipline* of teacher or non- teaching staff of the Institution *Rule 4 sub rule 6 – "No teacher shall engage himself in any sort of private tuition for personal gain.* Provided that, a teacher shall co-operate in the matter of remedial coaching which may be organized by the Institution."

This means that teachers are not allowed to give private tuition to students, either in person or online. This prohibition applies to all teachers, regardless of their level of experience or the subject they teach.

If you are caught giving private tuition, you *could face disciplinary action*, up to and including dismissal. I *urge you to comply with this prohibition and to help us to create a level playing field for all students.* At the same time you are requested to submit a declaration positively in support of the aforementioned regulations within **26.08.23.**

Thank you for your cooperation.
